(b) what is the actual allotment made upto the end of Itme, 19857

THE MINISTER OF FOOD AND CIVIL SUPPLIES (RAO BIRENDRA SINGH); *(h)* and (b) A statemeni in-maad and allotment of wheat sugar, and rice in respect of Uttar Pradesh during 1984-85 and 1985-86 (upto lune, 1985) is attached. *(See below)*

Statement

Demand and allotment of wheat rice and sugar in respect of Uttar Pradesh during 1984-85 *and* 1985-86 (*Uf to June*, 1985)

Year	Demand				Allotment			
	Wheat	Rice	Total	Sugar	Wheat	Rice	Total	Sugar
1984-85	1250·0	855·0	2105·0	**	1685·9	320·0	2005·9	605·59**
1985-86 (April -June)	285·0	180·0	465·0	*?	488·28	75·0	563·28	151·40

*The monthly levy quotas of sugar are not based on the requirement or demand of the State. Governments but these are allotted on the basis of certain uniform norms out of the total quantity of levy sugar available for allocation to all the state Government

**In addition, a small quantity of levy sugar is also allotted to Para-Military Forces deployed in the State.

Allotment of Incomplete flats by the DDA under Hudco Scheme

2136. SHRIMATI MONIKA DAS: Will *the.* Minister of WORKS AND HOUSING be pleased to stale.

(a)whether it is a fact that the DDA allotted incomplete flats in varftms colonic under HUDCO scheme of 1979;

(b) whether it is also a fact that allott ees have been asked t_0 pay $thei_r$ ins talments whereas they have not bee_n given '•he possession of the flats because of Jion-: completion

(e.) whether $_{s0}$me allottees have already made initial payments or three/i monthly instalments but the possession *bag* no? yet been given; asd

(d) if so, what are the -reasons therefor?

THE MINISTER OF PARLIAMENTARY AFFAIRS (SHRI H. K. "... BHAGAT): (a) Yes Sir. DDA has allotted some, incomplete flats under the scheme in two colonies.

(b) to (d) Tn the case of Sbalimar Bagh Tairta flats (600), the demand] lefl m the month of April, 83. These fats were not complete and defl ment of payment on the initial amount as well as insialinent$_s$ was allowed by the DDA upto October,' 83. Possession letters in respect of almost all the flats have been issued.

In the case of '472 flats at Pitampura :itirn-cum-demand letters were issued and payment was received in almost all jbe cases and possession letters for 255-

flats weie issued. Subsequently due to dispute arising with the contractors, these flats could not be completed and further •issuance of possession letters was stopped.

In the case of 504 flats Pitampura, no demand letters were issued and no payment was received as these Bats were not expected to be completed in the near future.

Modernisms of Sugar Industry

2137. SHRI C. HARIDAS: Will Minis*r of FOOD AND CIVIL SUPPLIES be pleased to state;

(a) what is the number of factories i[v India;

(,b) what type of technology is being used in these mills;

(cj whether Government are aware that most of them are being run on obsolete technology; and

(d) whether Government propose of modvnise sugar industry and to what extent sugar industry has been mod<

THE MINISTER OF FOOD AND CIVIL SUPPLIES (RAO BIRENDRA SINGH i: (a) There are at preset installed sugar factories in the country.

(b) Most of the sugar facto a few are using the latest technology available in the country;

(c> Does not arise.

(d) Few sugar factories which are using old technology as a result of having old plant and machinery can modernise and rehabilitate their factories for which the Central Government fits a soft loan scheme. 29 sugar factories have already taken advantage of this upto 31st December, 1284. In addition the Sugar Development Fund ere;. Government of India also envisages giving help to such factories for undertaking modernization and rehabilitation by advancing margin money assistance.

Promotional avenues for Scientists to 1CAR

2138. SHRI KAPIL VERMA: Will the Minister of AGRTCULTURE AND RURAL DEVELOPMENT be pleased to state:

(a) whether the Indian Council of Agricultural Research has decided to pro vide more promotion avenues to scientist-. working under it, it' so. the details there of;

(b) whether the l.C.A.R. plans troducs betted an[t| more effective as mem" of scientists, if so, what are the details thereof; and

(c) whether the Council proposes to vviili the .i of promotion on the basis of published scientific works and replace it by project file mentioi the work done and important duties performed?

THE MINISTER:UF STATE IN THE DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT (SHRI CHANDULAL CHANDRAKAR). (a) There is" no proposal to provide more promotion avenues to scientists working under the ICAR then provided at present.

(b) The system of assessment of the scientists borne on the A: trral Re search Service is reviewed from tim time to bring about improvement therein. *the* system has been reviewed recently in the right of the. experience gained jn its also the grievances aired by the scientists from rime to Time. In order to make the system even more responsive, the criteria and methods for fjve y assessment have been quantified and a mi n has been taken in regard to the maintenance of personal files by the i jse^ scientists as also improvement in the maintenance of Research Project files by them. The assessment proforma has i been sligtly modified.

(c) The assessment of jjerformance of the scientists is based, among other, on the project files maintained by them and' pul-i to their credit." Neither erf them has been dispensed with as a result of the view of the system of assessment
